**PETITIONING THE COURT**

- [ ] To issue a warrant  
[X] To issue a summons

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number    Nature of noncompliance

1.                    The offender has violated the supervision condition which states '**You shall not commit another federal, state, or local crime.**'

On September 14, 2008, Mayet was arrested by members of the Rahway Police Department and charged with operating a motor vehicle under the influence (alcohol) and possession of cocaine.

On January 13, 2009, Mayet appeared in Rahway Municipal Court and was convicted of driving while under the influence and possession of drug paraphernalia.

2. The offender has violated the supervision condition which states **'The defendant shall refrain from the illegal possession and/or use of drugs and shall submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that the defendant shall submit to drug treatment, on an outpatient or inpatient basis, as directed by the U.S. Probation Office. The defendant shall abide by the rules of any program and shall remain in treatment until satisfactorily discharged with the approval of the U.S. Probation Office.'**

The offender submitted urine samples which yielded positive results for cocaine on the following dates: October 30, 2006; June 29, 2007; August 27, 2007; and September 18, 2008.

3. The offender has violated the supervision condition which states **You shall work regularly at a lawful occupation unless excused by the probation officer for schooling, training or other acceptable reasons.'**

Since the commencement of supervision, the offender has failed to obtain verifiable employment, despite numerous directives to do so. For the past several months, the offender has worked "under the table" as an accountant and notary.

The Probation Office has determined this conduct constitutes a **Grade C violation.**

I declare under penalty of perjury that the foregoing is true and correct.
